

PERSONAL INFORMATION

Name: Daniel Espindola Ronconi

Birth Information: 21/01/1985, Rio de Janeiro - Brazil

Residential Address: Domingos Vieira, St. Number 66. Ap 301. Santa Efigênia. Belo Horizonte – Minas Gerais - Brazil

E-mail: danielronconi@hotmail.com

EDUCATION

Medical School

2005 - 2010 - Medical School at Federal University of Paraiba (UFPB) - João Pessoa - Paraíba - Brazil

Residency

2012- 2017 - Residency in Neurosurgery - Santa Casa de Belo Horizonte, Belo Horizonte, Minas Gerais

Research Fellowship

05-10/2017 - Volunteer Research Fellowship in Skull Base Surgery - Hôpital Lariboisière, Paris, France

LANGUAGES

- **Portuguese:** Comprehends well, speaks Well, Reads Well and Writes well
- **English:** Comprehends well, speaks Well, Reads Well and Writes well
- **French:** Comprehends Well, speaks Well, Reads Well and Writes reasonably
- **Spanish:** Comprehends reasonably, speaks reasonably, Reads reasonably and Writes reasonably

UNDERGRADUATE ACTIVITIES

- **Undergraduation Scientific Research**

Student Researcher of the Institutional Program for Scientific Initiation Volunteers - PIVIC / UFPB having developed the project "Observational Cohort Post-Hospitalization of Seniors with Multimorbidity: Predictive factors of readmission and Death" with the sub-project "Recruitment, Monitoring, Observation and Analysis outcomes of graduates elderly patients clinical hospitalization "in the period from August 2008 to July 2010, with weekly working hours of 20 hours - UFPB

- **Undergraduate Teaching Assistant**

- Neurology/Neurosurgery Discipline Teacher Assistant, Department of Internal Medicine, 2009.1 and 2009.2 academic periods. weekly working hours of 12 hours - UFPB
- Medical Semiology Discipline Teacher Assistant, Department of Internal Medicine, 2007 - 2008, weekly working hours of 12 hours - UFPB

- Neuroanatomy Discipline Teacher Assistant, Department of anatomy, 2006, weekly working hours of 12 hours - UFPB
- **Undergraduate stages**
 - Gazetted stage at Head and Neck Surgery Unit, Surgical Oncology sector, Oncological Hospital Napoleon Laureano, from September 2008 to July 2009, a workload of 480 hours.
 - Elective Stage at Discipline of Neurosurgery, Federal University of São Paulo- UNIFESP - in the period from March 30 to April 24, 2009, with a workload of 132 hours.

HANDS-ON COURSES

- 7TH Annual Brain Anatomy Fellows Course - Seattle Science Foundation, Seattle- WA - USA. March 19-20, 2016.
- Anatomy of the Ventricles, sulci and gyri - Hospital Beneficência Portuguesa, São Paulo - SP - Brazil. March 06-08, 2014.

BIBLIOGRAPHICAL PRODUCTION

- **Articles in Scientific Journals**
 - Dellaretti, M.A.; Ronconi, D.E. (2017) Safety and efficacy of surgical treatment of intracranial aneurysms: the experience of single brazilian center. Waiting for acceptance .
 - Câmara, B.B.A., Dellaretti, M.A.; Ronconi, D.E., Almeida, C.E.R., Couto, M.A.V., Souza, R.F. (2016) *Cerebral Aneurysm in Takayasu's: A case report and Review of the Literature*. Brazilian Neurosurgery - In Press: DOI: 10.1055/s-0036-1586238
